

**Town of Alpine
PUBLIC HEARING MINUTES**

**DATE: May 21, 2019
TIME: 6:30 p.m.**

**PLACE: Town Council Chambers
TYPE: Public Hearing**

Call to Order: Mayor Kennis Lutz called the Public Hearing to Order at 6:30 p.m.

Council Present: Councilmen Fritz, LaPier, Larsen and Mayor Lutz.

Mayor Lutz welcomed those in attendance and stated that this Public Hearing was to discuss submission of a Business Ready Community Grant for the "New Wastewater Pre-treatment and Sludge Handling System".

Mayor Lutz explained that this involves submission of a grant application for up to \$3,000,000 to the Wyoming Business Council for funding the pre-treatment and sludge handling facility that will allow the Town of Alpine to accept wastewater from Melvin Brewing and other potential industrial facilities. This grant is a Business Ready Community Grant request.

Council comments focused on two points. First, that should the Town of Afton stop receiving Alpine's sludge, there needs to be a plan in place to handle the sludge and second, that the Town of Alpine needs to handle the sludge generated here in house and it is not all about future businesses that may be taking advantage of this facility.

Open for Public Comments: There were no public comments.

Mayor Lutz closed the public meeting at 6:47 p.m.

W. Kennis Lutz, Mayor
