## Event History

Alpine Mountain Days was started over a quarter century ago by Jan Rollins and Marge Grover, the founders and first co-chairs of this 3-day event.

This year it takes place from Friday, June 21st, through Sunday, June 23rd. From the very first Mountain Days, these two women had a vision which has become reality and a treasured Town celebration.
With the help of volunteers, the generosity of many businesses and individuals, and the participation of craftsmen, vendors, and the people who come out to enjoy it, this event has grown into one of the largest highly anticipated weekend festivals in the area.
