

Utility Billing

Water Rates – Base Rate \$29.00.

Plus a charge of \$2.00 per thousand gallons.

New users will be charged \$50.33 for first year. After one year of water usage has been accumulated, actual use shall determine the annual amount of water used. Any excess or deficiency from previous amounts paid will be adjusted and the customer shall either pay deficiency or be refunded the excess payment and the monthly user fee shall be adjusted according to that newly arrived actual usage.

Readiness to serve fee of \$29.00 a month will be charged to all vacant or unconnected platted lots within the Town of Alpine that have access to the water systems.

Sewer Rates \$54.00/ERU (Equivalent Residential Rates)

This billing policy applies to all lots located within the incorporated boundaries of the Town of Alpine.

Billing Policy

Bills for water and sewer will be mailed to all customers no later than the 5th day of the following month due. Payment will be due the twenty fifth (25th) of the month the bill is sent out. Payments received after the next billing cycle will be assessed a five dollar (\$5.00) late charge. At the next billing cycle, delinquent accounts will be sent a delinquency notice. If amounts due for water or sewer are not paid by sixty (60) days from when first due, water may be disconnected with a notice provided ten (10) days prior to disconnection.
